

Habibibti,

I know we both said we don't believe in love at first sight, but after meeting you at the KAYTRANADA concert —

I knew I wanted to get to know all of you.

I like you a lot for a lot of reasons — you are kind, you are funny, you are full of love, and also you are weird like me

When I am with you, I feel safe showing the softer side of me, and to love and to also be loved is like feeling the sun on both sides !!!

When you said you had a slower pacing with love — I wasn't worried because when you choose to love someone for a long time, you will not rush things

And I am so glad I bought that concert ticket!

— Bubs .!!

May I
Be Yours?
